

TAKE YOUR CAREER TO THE NEXT LEVEL

Earn a BSN in as little as one year

Loyola's RN-to-BSN degree completion program takes your professional experience into account. Our program allows you to complete your BSN with all classes being conveniently offered online.

PROGRAM HIGHLIGHTS

Convenient

This program is 100% online for registered professional nurses. You'll be able to earn your degree in as little as three semesters full-time (two courses/session).

Experience Counts

Loyola accepts up to 66 transfer credits. Our curriculum also includes a professional portfolio that may award up to 25 professional development credits.

Flexible

Our courses are offered in 6-8 week sessions year round, providing the flexibility you need while continuing your professional life.
