

# Steps to Assign/Change a Payment Method

If you have already enrolled in a payment plan and need to update your payment method, please follow the below steps. **All steps must be completed in order to update a payment method for an existing payment plan.**

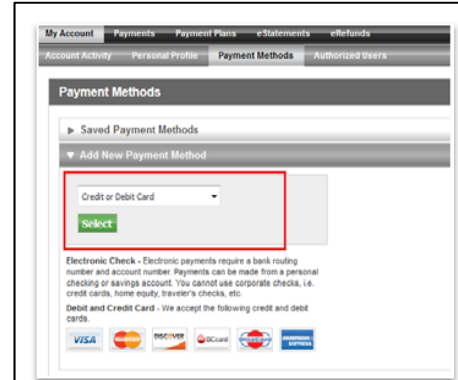

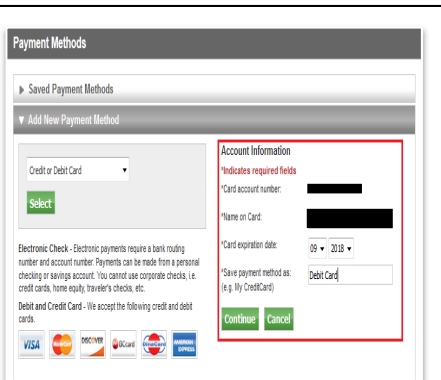

7. Click on *Payment Methods*

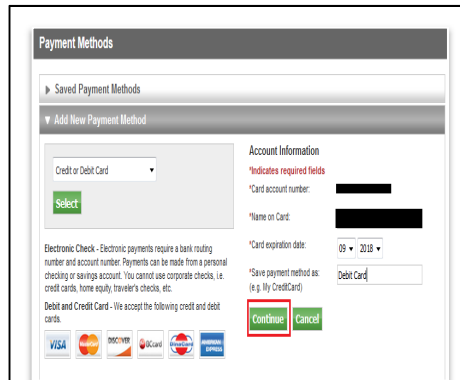

8. Click *Add New Payment Method*

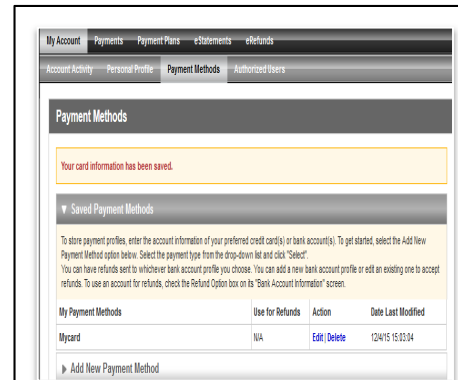

9. From the dropdown box, select the New Payment Method, click *Select*

10. On the right side of the screen, enter the new payment information

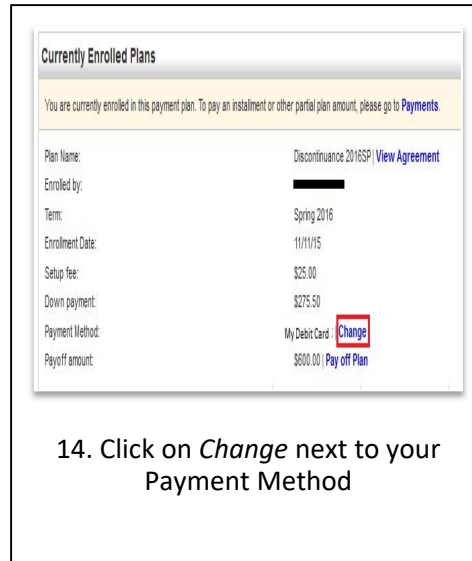

11. After you have reviewed the information to ensure accuracy, click *Continue*

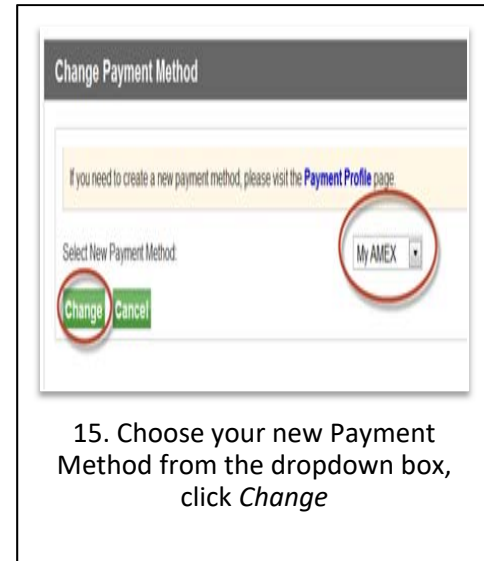

12. You will receive a message denoting your payment method has been saved

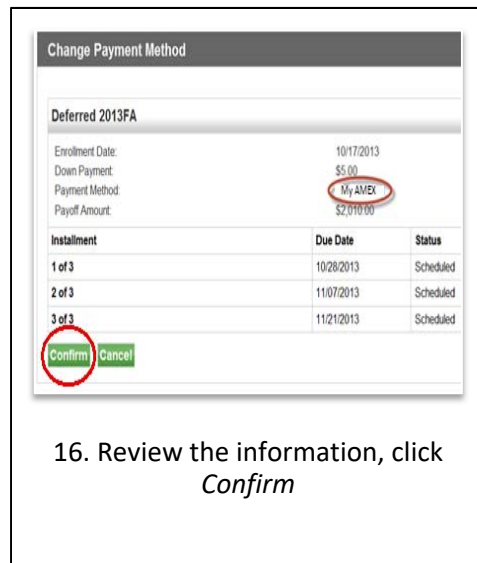

13. Select *Payment Plans* from the top menu

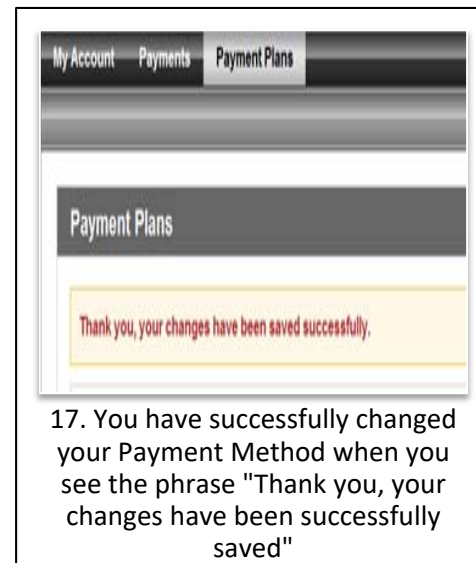

14. Click on *Change* next to your Payment Method

15. Choose your new Payment Method from the dropdown box, click *Change*

16. Review the information, click *Confirm*

17. You have successfully changed your Payment Method when you see the phrase "Thank you, your changes have been successfully saved"
